

As a GMP, GDP and ISO certified company, **Kraeber & Co GmbH** distributes pharmaceutical and cosmetic substances with its own production facilities just 30 minutes by car from Hamburg's city centre.

As a Hanseatic family business, we have been active in this market since 1980. Our long-standing customers and suppliers value the expertise and reliability of our team, our personalised service and, last but not least, the outstanding quality of our products.

Our partners are our driving force - we continue to develop for them and create new paths for the future. That is why we are looking for another committed and convincing personality to join our versatile and responsible **production team** with immediate effect:

Production employee (m/f/d)

Full-time (40 hrs./week)

Your tasks:

- Manufacturing work in pharmaceutical and cosmetic production in compliance with the applicable regulations (GMP, ISO, internal specifications, work instructions (SOPs))
- Manufacturing work, including in controlled laboratory areas (clean room), work in a sterile working environment
- Provision of starting materials, preparation of the working environment, control of the environmental conditions in the clean room.
- Filtration of blood plasmas, blood sera including filling processes and labelling of containers.
- Carrying out incoming goods inspections with associated documentation in accordance with the existing work instructions
- Documentation in cleaning protocols
- Maintenance and servicing activities on electrical systems

Your profile:

- Successfully completed training in the technical field, ideally as an electronics technician or equivalent qualifications based on professional background
- Professional experience in the production area desirable - career changers are also welcome
- Good technical understanding and manual dexterity
- Professional experience in the cleanroom would be desirable (not a requirement)
- High social competence, good communication skills, openness and ability to work in a team
- Goal-oriented and structured work behavior with a high degree of care and reliability
- Quality awareness, flexibility, ability to work under pressure and punctuality
- Good written and spoken German
- Basic computer skills
- Class B driving licence
- Willingness to work flexible hours occasionally (no shift work)

We offer:

- We offer you a challenging job in an interesting industry
- A permanent employment contract with 13 salaries and 30 days' holiday are a matter of course for us
- Your future workplace is located directly on Hamburg's northern city limits
- With our support and your enthusiasm, you will quickly gain comprehensive knowledge about our products and will quickly become a valuable advisor and companion to your customers
- With us, you will experience flat hierarchies and a pleasant working environment
- Feeling good is important to us: a mobile massage team and a regional fruit supplier regularly visit us as a healthy break from everyday office life
